

ASSESSMENT TASK BLUEPRINT

What understandings and goals (standards correlations) will be assessed through this task?

G

--	--

What criteria are implied in the standards and understandings *regardless* of the task specifics? What qualities must student work demonstrate to signify that the standards were met?

--	--

Through what authentic performance task will students demonstrate understanding?

T

--

What student products and performances will provide evidence of desired understandings?

--	--

By what criteria will student products and performances be evaluated?

--	--

--	--
